

## Parent reminders

**Dear Parents,**

Kindly remember to pay the BD 25 fee for the Family Day costumes **No Later Than Wednesday, 28 February.**

As a part of our unit, "How the World Works," we would appreciate if you can participate in donating some clothes that we can use in our class. Students will investigate the different reasons and why people wear different kinds of clothes; they will also look at different types of clothes. Students will decide what clothes they should wear in different seasons.

### The Essential Elements of this Unit of Inquiry (UOI)

**Unit of Inquiry:** How the world works

**Central Idea:** Our activity is usually connected to the earth's natural cycles.

**Inquiry into:** Night and day cycles (dark and light) / Seasonal changes / Health and safety as related to climate and seasonal changes

**Learner Profile:** Thinkers, Inquirers, Reflective

**Attitudes:** Appreciation, Curiosity

**Approaches to learning (ATL):** Research skills, Social skills

**Concepts:** Change and Connection

### Knowledge - Curriculum Covered in class

**English:**

**Language:** *Introducing simple phrases my name is, I am \_\_\_ years old and I am from \_\_\_\_\_.*

Learning how to form questions using what, why, when, how and who. Learning to describe toys by their colour, shape, size and texture. Learning the rules for different games and how we play those games.

**Phonics letter sound:** *m*

**UOI:** Students will tune into the new unit by briefly learning about day, night, dark and light. Learning about seasonal changes e.g. autumn, winter, spring, Summer and, learning about health and safety as related to climate and seasonal change clothing, sun cream, umbrellas etc.

**Math:** Sing songs about numbers and shapes, review shapes, review colors, review numbers 1-2-3, counting from 1 to 20. Learning how to make/continue patterns using shapes, colors and numbers.

**Social Skills:** Learning to respect the toys and how to use them correctly. Learning to express ourselves to others, say things we like and dislike. Learning to work independently and ask when help is needed. Learning to raise our hand when we need something and when we want to speak.

## Homework

Sunday	Monday	Tuesday	Wednesday	Thursday
	<p><b>Action - Play Activity:</b></p> <p>Lucky Dip</p> <p><b>Directions:</b> Place different objects (animals, cars, dishes, blocks etc.) in a large bag. Allow the student to put their hand inside and feel one object. They must guess what the object is by feeling it and not seeing it. When they pick it out, allow them to describe the object to you. (thinking skills, developing senses, choice making).</p>			<p><b>Action - Play Activity:</b></p> <p>Threading</p> <p><b>Directions:</b> Using wool or thread and pasta or cheerios cereal, allow the students to thread and make necklaces. (fine motor skills, hand-eye coordination).</p>
