Ramadan Timing

During Ramadan the Elementary School (N-5) will follow a schedule for a shorter school day, similar to a Tuesday. School will start directly with **period 1 at 7.25am**— however, **we strongly encourage parents to still drop their children off at 7.15 am.** Students will finish the day at **12.20 pm.** Teaching will continue as usual. Ramadan will also be during the last weeks of our Unit 6, so students will focus on preparing and completing assessment tasks during this time. It is therefore of the utmost importance for students to attend every day of school during Ramadan. ***Please ensure your child gets enough sleep during the holy month of Ramadan.***

التوقيت خلال شهر رمضان الكريم
خلال شهر رمضان سنتبع المرحلة الابتدائية والتمهيدية جدول شبيه بيوم
الثلاثاء، فسوف يبدأ الدوام مباشرة بالحصّة الأولى في تمام الساعة **7:25**
ومع ذلك، فإننا نشجع أولياء الأمور على الاستمرار في إحضار أبنائهم
الساعة 7.15 صباحاً، وسيتمّ الدوام للطلاب في تمام الساعة **12:20**.
وسيستمرّ التدريس كالمعتاد، حيث سيكون رمضان خلال الأسابيع الأخيرة من
وحدة البحث السادسة، لذلك سوف يركز الطلاب على إعداد وإكمال مهام
التقييم للوحدة خلال هذا الوقت، وعليه يعد حضور الطلاب كل يوم من أيام
الشهر الفضيل ضروري وهام جداً.
يرجى التأكد من حصول أبنائكم على قسط كافٍ من النوم خلال شهر رمضان
المبارك

- تقارير نهاية العام الدراسي – 21 يونيو 2017

IB Primary Years Programme

The PYP - Action

Many people think that Action is easy to define. It is something you do, right? But Action is much more than that. **Action is a part of who we are.** If we want to change the world, we need to start with changing ourselves. But sometimes change is hard. How do we make changes to the way we think so we can help the world?

Reshuffling of all classes in 2017/18

Annually, we only regroup or reshuffle students when they move from Nursery to KG 1 and from KG 2 to Grade 1. Unfortunately, this will not be enough for next year, because:

- Due to students moving in and out of NIS, some classes have become unbalanced in terms of gender and abilities.
- Due to the expansion of the Elementary School next year, all grade levels will have 4 homeroom classes and not 3, like the case is this year in some grade levels.

Dear Parents,

I give you back your child, the same child you confidently entrusted to my care last fall. I give her back pounds heavier, inches taller, months wiser, more responsible, and more mature than she was then.

Although she would have attained her growth in spite of me, it has been my pleasure and privilege to watch her personality unfold day by day. I give her back reluctantly, for having spent nine months together in the narrow confines of a crowded classroom, we have grown close, have become a part of each other, and we shall always retain a little of each other.

Ten years from now if we met on the street, your child and I, a light will shine to our eyes, a smile to our face, and we shall feel the bond of understanding once more, this bond we feel today.

We have lived, loved, laughed, played, studied, learned, and enriched our lives together this year. I wish it could go on indefinitely, but give her back I must. Take care of her, for she is precious.

Remember that I shall always be interested in your child and her destiny, wherever she goes, whatever she does, whoever she becomes. Her joys and sorrows I'll always be happy to share.

Your Teacher,
