

Quote of the Day

Bahrain is actually an archipelago of 33 islands. The largest, on which many of us live, is 55km long by 18km wide and areas such as Sitra and Muharraq are actually separate islands.

1. If you are interested in going on the Dubai trip during February break, please bring the permission form and payment to school, no later than Jan. 8th. Permission forms have been emailed to parents and posted in powerschool.
2. Students interested in attending injaz classes, please see Ms. Zainab to sign up. Grade 7 classes will start as soon as a volunteer is confirmed.
3. Please remember to check the lost and found for any items you may be missing. It is located in Ms. Noof's office. ALL UNCOLLECTED ITEMS WILL BE THROWN OUT DURING THE DECEMBER BREAK.
4. Middle school students are not allowed to go to elementary school at break time!!
5. Middle school students are not allowed in the high school section during break time.
6. High school students are not allowed in the middle school section during break time.
7. Study guides are posted in powerschool.
8. Have a great and restful holiday!!

Club Information

English Clinic: break times with Ms. Mary

Chess Club: Sundays after school in Ms. Hana's classroom.

Did you know that: Bahrain World Trade Centre is the first skyscraper in the world to integrate wind turbines into its design. Each turbine is 29m in diameter and their capacity is 675kw of wind power production. The 240m-tall tower has won several international awards including the LEAF (Leading European Architects' Forum) award for best use of technology in a large scheme.

Upcoming Events:

Ministry Exam Tuesday Jan. 7, 2020
